

Message from Dean

SVKM's NMIMS University's, Anil Surendra Modi School of Commerce (ASMSOC) was established in 2007 with the objective to impart quality management education of high standard. The School currently offers undergraduate programs - BBA, B.Com. (Hons.), B.Sc. Finance and a Master level program - M.Sc. Finance.

ASMSOC Placement Cell is an outstanding platform that serves as a bridge between classrooms and corporates. It not only nurtures the careers of the students but also serves as the most preferred resource for the recruitment needs of the industry.

In the year 2022-23 as the world put the pandemic behind and businesses chartered new trajectories, the Placement Season at ASMSOC witnessed an increased interest from the industry to hire our talented students.

The School is very appreciative of the enormous faith, confidence and support reposed in us by industry, which enables our students to gain quality placement with some of the leading organizations in the country.

Looking forward, ASMSOC wishes to strengthen the long standing relationships with the industry and business houses. We welcome our existing recruiters and also invite other companies to allow our students to prove their mettle and be an asset to your organization.

Sangita Kher
