

Message from Dean

SVKM's NMIMS Anil Surendra Modi School of Commerce (ASMSOC) is the most sought-after destination for outstanding commerce and management education. Empowering students to excel and succeed in their chosen careers is at the core of our mission. Our placement initiatives are designed to bridge the gap between academia and industry, providing students with access to exceptional learning and internship opportunities, cutting-edge skill development, and personalized career guidance.

We are committed to fostering a supportive ecosystem that enables our students to thrive and reach their full potential. We are thankful for the trust and confidence placed in our students by top Indian businesses and MNCs and we value their ongoing support. We look forward to continuing our existing relationships and forging new connections with industry, creating mutually beneficial partnerships that drive success for our students and industry partners alike. The Placement Cell at ASMSOC welcomes opportunities to facilitate potential final placement, social impact internships, corporate internships, collaborative research, and industry projects.

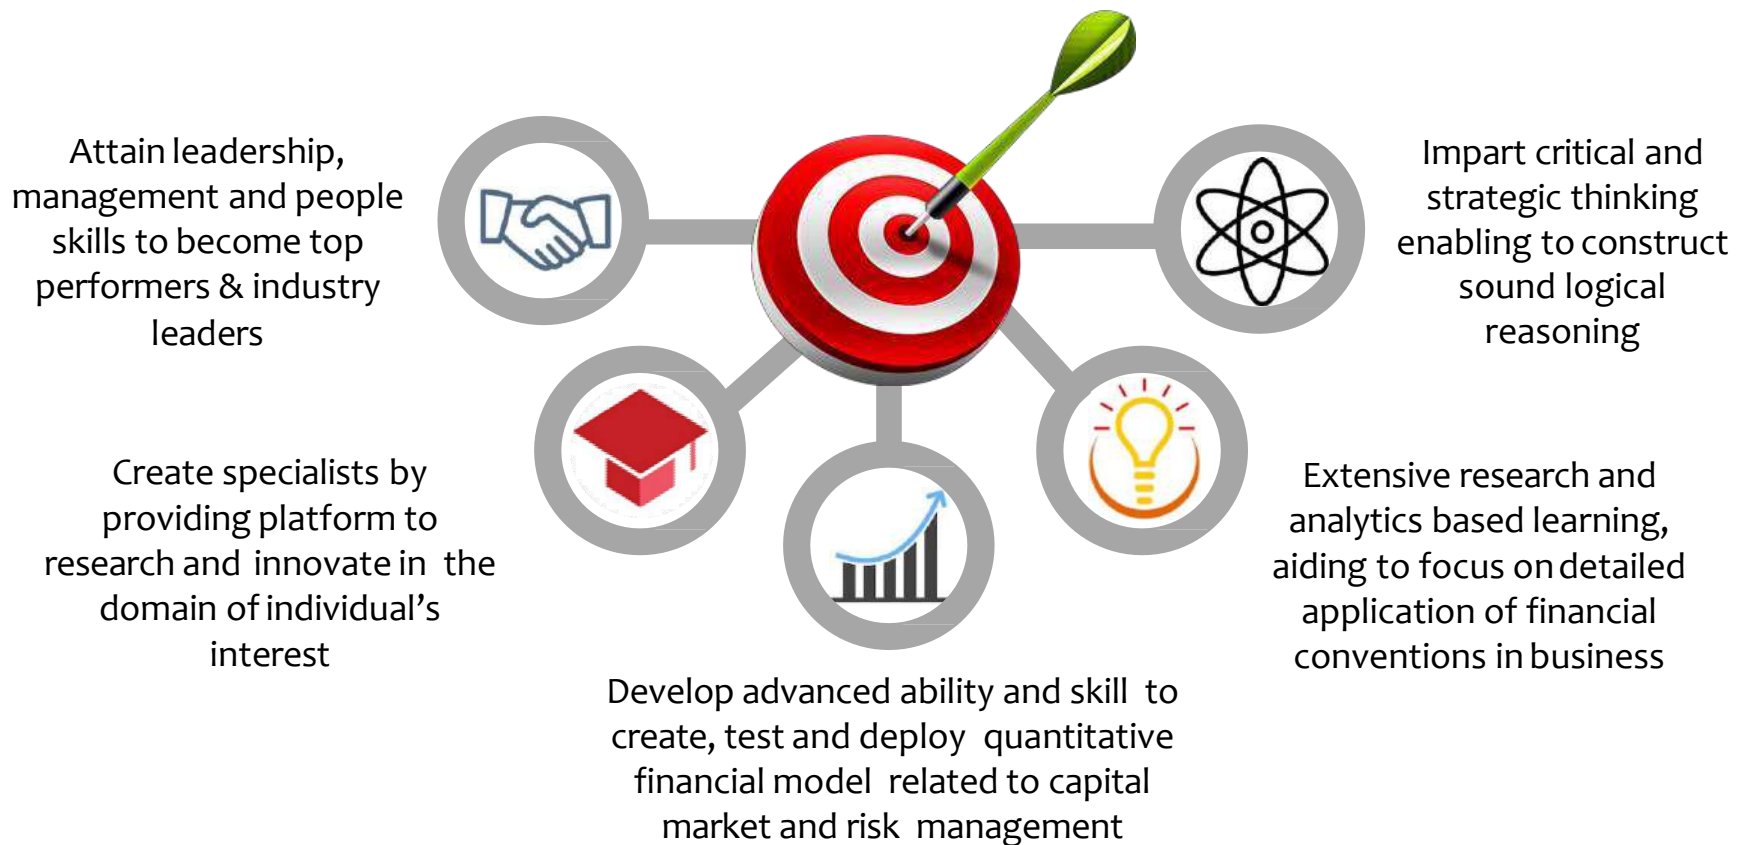

Dr. Minu Mehta
Dean - ASMSOC
